Mesquite Section

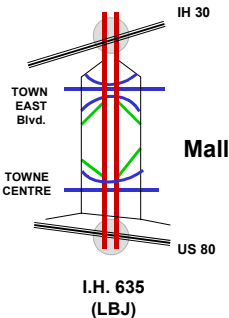

General Information:

- A Stand alone project south of I-30
- Improve access within the Town East Area
- Phase I - Towne Centre & New Ramps
↑ Bid Amount \$ 10,135,800
- Phase II - Town East Blvd. and I-635 Overpass
↑ Estimated Cost \$ 18,764,200
- City of Mesquite is paying \$ 6,357,558

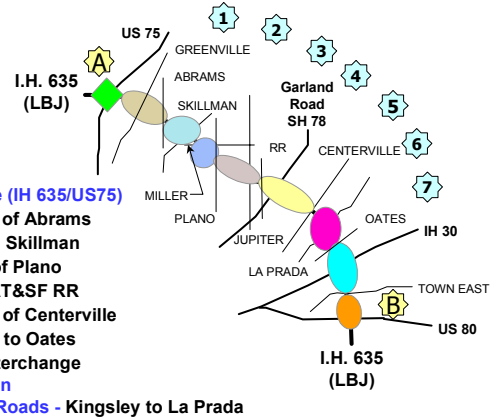

Description:

- Rebuild Towne Centre Bridge as 6 lanes
- Include a north side U-Turn
- Add a SB exit ramp to Towne Centre
- Add a NB Towne Centre entrance ramp
- Relocate existing Town East Ramps
- Add a fifth lane (auxiliary) - Town East and US 80
- Rebuild Town East Blvd.
- Reconstruct I-635 over Town East Blvd to South of Towne Centre

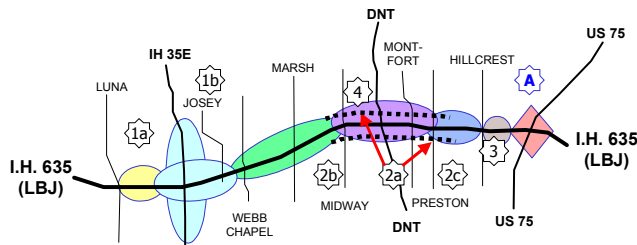

Note: Project has been phased to accelerate construction, minimize traffic impacts, and aid the funding process.
